

January 2008

Benefits Manager  
ABC Corporation  
123 Anystreet  
Philadelphia, PA 19103

Dear Group Administrator:

You may recall that we had informed members of our Medicare Advantage plans that we would soon be sending them 2008 Evidence of Coverage materials. Those materials are now available, and we'll be mailing them to members within the next week.

The following materials are enclosed for your reference:

- Evidence of Coverage.
- Applicable riders based on your 2008 group health benefits offerings.
- Schedules of Copayments and Limitations (if applicable, prescription drug, dental, and vision) based on your 2008 group health benefits offerings.

Please contact your Independence Blue Cross account executive, association administrator and consultant or independent broker if you have any questions.

As always, please know that we appreciate your business and look forward to providing you with access to quality health care.

Sincerely,

William F. Haggett  
Chief Marketing Executive
